

Call for

4-H Science Matters Project Leaders

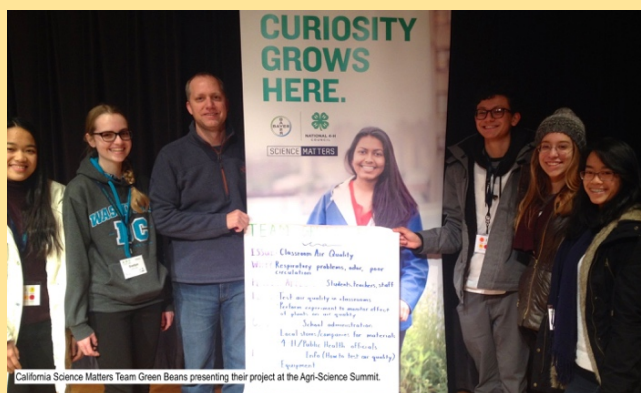

(For Alameda and Contra Costa 4-H ONLY)

Do you want to:

- Guide teens to a pathway that will deepen their understanding of how science connects to their food, animals and health
- Spark youth interest in agri-science careers
- Empower teens with the skills and support to show their communities just how much science matters.

Time Commitment

- Attendance at training session(s).
- Help conduct SM project meetings planned by the group - topics such as community action planning, implementation, presentation and evaluation.
- Participate in special project activities, visits, tours, fair, etc.
- Ability to travel from January 9 – January 14, 2019 to the 2019 National Youth Summit on Agri-Science at the National 4-H Conference Center.
- One year - until June 2019.

Questions/Interested?

Contact Brenda Vales (bcvales@ucanr.edu) or
Cheryl Fraser (cyfraser@ucanr.edu)

Responsibilities

- Be the main adult volunteer contact for all events hosted and/or attended by the team.
- Work with a team of 4-5 teen leaders in your community to identify an issue that can be solved through agriculture and science-based solutions.
- Include hands-on experiential learning opportunities for team to gain knowledge and skills related to the role of science in their community.
- Identifies resources available to help members plan agri-science activities.

Qualifications

- 18 years of age or older.
- Project volunteers must be or can complete 4-H adult volunteer certification.
- Knowledge of the subject matter and/or a willingness to attend training.
- The ability to communicate with groups of diverse youth and adults.
- Able to share decision-making and responsibilities with youth.
- Have the time and energy to devote to the project.
- Commitment to 4-H program mission and core values.

Rewards

The 4-H SM Adult Volunteer may experience the:

- Satisfaction of significant contribution to growth of youth.
- Respect and friendships of youth, fellow volunteers and 4-H staff.
- Respect and gratitude of parents/guardians and community.
- Recognition of accomplishments by unit and county.
- Opportunity for continued personal growth.
- Paid travel expenses from January 9 – January 14, 2018 to the National Youth Summit on Agri-Science.

Resources Available

The 4-H Science Matters Adult Volunteer will receive:

- Support and assistance from parents/guardians of unit members and from the county 4-H staff.
- County or area training sessions.
